REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: In regard to claim 15, the prior art fails to provide, teach or suggest at least another one of the curved portions is disposed between the base portion and the printed circuit board side contact portion, and when the electrical part is accommodated onto the socket and pressed down, the another one of the curved portions is elastically deformed and then the printed circuit board side contact portion is abutted on the printed circuit board. In regard to claim 17, the prior art fails to provide, teach or suggest wherein another one of the curved portions projecting upward is positioned between the base portion and the printed circuit board side contact portion; and in combination with other limitations in claim 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tho D. Ta whose telephone number is (571) 272-2014. The examiner can normally be reached on M-F (8:00-5:30).
